V8 GO KART CORPORATE CHALLENGE AUSCARTS INDOOR RACE TRACK - PORT MELBOURNE

Here's your Clients chance to take on Four-Time Australian V8 Supercar Champion and Two-Time Bathurst 1000 winner, racing legend and superstar John Bowe, in a full racing experience at Auscarts in Port Melbourne.

Race packages take your Go Karting experience to the next level. Races are run like Grandprix's, with a practice session to kick things off. The state of the art timing system records each lap to within 1000th of a second, fast learning and good driving will be rewarded with a good place on the grid, for the opening race heat. The heats are real, grid start, races. Lap times are only half the battle now.

Experience the chaos of turn 1, once the lights go green. You can never win a race on turn 1, only loose it! Once through the job now is to be consistent, stay out of trouble and avoid the back markers. Penalty flags are given to any driver caught breaking any race rules, so play it cool until the chequered flag.

On completion of your session, a podium presentation is done for the top 3 drivers.

At the completion of the Go-Kart Challenge, you and your guests will be treated to an insight into the trials and tribulations of being a champion V8 Supercar Driver. John Bowe will talk exclusively to your group, whilst guests enjoy a large selection of finger food and beverages.
